ILLITERACY OVER TENNESSEE IS DECLINING-

Washington, D. C., Aug. 25.-Census figures for 1920 released today show there are 182,629 illiterate persons 10 years of age and over in the state of Tennessee. Of this number 101,317 are native whites of native parentage, 429 are of foreign or mixed parentage and 1,263 are birth. The number of of foreign illiterate Negroes is 79,532.

In the total population 10 years of age and over the percentage illiteracy is 10.3 which shows improvement since 1910, when it was 13.6. In the case of the Negro, that percentage declined from 27.3 to 22.4, and among the native whites of native parentage it fell from 9.9

According to Maceden, a Negro entered his place Saturday night, ato ice creem and cakes and refused to pay. When he argued with the man, the Negro cut him on the arm with a knife. Sunday afterneon, said Macedon, the same man returned to his confectionery and cursed him. Macedon said he followed him up Howard street in the hope of seeing a policeman, Then he saw that he was joined by a gang of Colored men, said Macedon. They all threw bricks at him.
